

Blown Away Hair Salon Named Business of the Month by Janet Weaver

Keytesville Chamber of Commerce has selected the newly opened Blown Away Hair Salon as the August Business of the Month. The totally redone building located on N. Ridge Street in Keytesville is owned by local contractor Nathan Asbury. Nathan and his crew did the remodeling of the building, which is now a wonderful asset to Keytesville. It is the first new business to open in a refurbished building in Keytesville for several years. An Open House was held this past Saturday August 26.

Salon operators are Wende Wright of Keytesville and Vicki Spence of Brunswick. Wende, who is formerly from the Brookfield area, but who has lived in Keytesville about two years, has been a beauty technician for 17 years, 10 of which were in Brookfield where she had her own shop. Vicki (Kahler) Spence has been a beauty technician for 43 years.

The shop has state of the art equipment and is beautifully decorated on the interior. Both women would welcome your patronage! The Keytesville Chamber of Commerce salutes Blown Away Hair Salon as the August Business of the Month!
