We previously had been going to make baskets for the new teachers at the school; however, it was determined that none of them live in Keytesville so none were made.

The Business Certificates are still in progress. Dora will look into making them and getting them to Cele.

KCPL Grant – There was a \$3,000 grant available to be written for city lights; however, we missed the deadline for bids. We are ready however for the next time it comes available.

Our new business of the month is Schachtele Small Animal and Auction service. Cele will interview and get in the paper.

Sterling Price Day plans are well in hand.

The article on Keytesville with the unflattering and incorrect information that was circulating on the web was discussed.

Lowell moved to adjourn seconded by Dora. Meeting adjourned at 7:55 pm.

Next meeting will be September 21 and will be in the yellow room of the courthouse.
