July 2016 Meeting

Events and Fundraising Committee

- Sterling Price Days-Promotional Event
 - Share a booth with the Friends of Keytesville
 - Have a table available with information/brochures related to Keytesville and the surrounding areas.
 - Have a bowl of Dum-Dum suckers available for individuals to take as wanted.
 - A sign says “Don’t be a “dum-dum” about the Keytesville Chamber of Commerce.
 - Each sucker has a fact about the Keytesville Chamber of Commerce attached to it, such as “The Keytesville Chamber of Commerce was established in...” or “Follow the Chamber on Facebook at...”, etc.
 - Please see attached pages for options regarding a sign for the table
 - This sign can be used multiple times and can be kept for any other future events the chamber promotes or participates in.
 - The sign measurements are 1.7 ft. X 3 ft.
 - There is a large sale going on currently and if I order by tomorrow, the entire cost including shipping would be 20 dollars and change.

- Fundraising Event
 - If we want to do the events we talked about in October/November, it is very necessary for us to have a fundraiser.
